

What is a listed investment company?

By Perpetual Asset Management

14 February 2018

As demand for listed investment companies (LICs) continues to grow, this educational video helps to answer some key questions you may be considering:

- What is a LIC?
- Benefits of the LIC structure
- How do you assess the quality of a LIC and what do you need to look out for?
- What is the Perpetual Equity Investment Company (PIC)?
- What is the investment opportunity and approach?
- About the manager?
- Why choose PIC?
